Dr. Stefan Klatt Bayer AG

„...guided by Carole, we have not only achieved all our objectives, but also inspired true passion for the “new world” within our workforce. Carole’s contribution to all these changes can hardly be overestimated: she supported the site’s management team to run a very structured change process, which was characterized by profound methodological expertise as well as high empathy for the needs of our people. Professionally designing and preparing...”.

Hermann Arens Stadtwerke Hannover AG

„I would recommend the cama Institute as it consistently follows the philosophy to achieve quality from the beginning, always with the real customers’ benefit in mind. Carole Maleh would rather lose a contract than lose sight of the customer’s benefit.“

Clemens Wieland Bertelsmann Stiftung

„Collaboration with cama was absolutely professional and the result brilliant!“
